Farley Coronation Playing Field Trust

Title: Code of conduct **Version: 1** **Date: 13th November 2025**

Scope: All trustees, committee members and volunteers

All trustees, committee members and volunteers will embrace the core values of the code of conduct which are;

Respect	Treating others with dignity, courtesy and valuing diversity and inclusion. In the context of meetings, not speaking over or being rude or offensive to anyone else
Integrity	Being honest, open, transparent and acting in the best interest of the play park and it's representatives. Reporting any suspected concerning breaches of this code to the Chairperson or other Trustees.
Responsibility	Being accountable for your actions and taking ownership of tasks or project

The FCPFT code of conduct is based on and condensed from the Wiltshire Council's Behaviours Framework and reference to that source is encouraged (https://wiltshirelocaloffer.org.uk/wiltshire-council-behaviour-framework/#behaviour-framework).

It is a set of guidelines designed to promote and maintain high standards of conduct for all trustees, committee members and volunteers (our team). The code of conduct outlines the expected behaviours of our team

It also provides guidance on how to handle conflicts of interest and how to report any concerns about behaviour that may be inappropriate or unethical. The framework is based on the principles of transparency, accountability, and fairness, and is designed to ensure that our team is aware of their responsibilities and obligations. Briefly, promptly report any matters of concern via written or email communication to the Chairperson or other trustees. On receipt of a report, the Chairman or Trustees will evaluate and act on such reports in a timely manner (e.g within three weeks).

The consequences of breaches of the code can range from informal discussions to removal from the Team. By promoting a positive and ethical culture, our Team can grow whilst building trust with the community it serves and ensure that its activities are conducted in compliance with this code and regulatory requirements that apply to the Trust.
